RE: FARRAH FIGHTS CDG

Dear Kelsey and Jason,

Some of our members who are currently working at the Spectra Energy Fort Nelson facility, recently became aware of this tremendous cause through discussions with the local community and yourself, and have brought this information forward to our membership. After learning of the efforts undertaken by yourself and our members on the job, our membership wanted to know how they too could participate and do their part. A motion was put forward and unanimously passed at our last Union meeting to donate monies to help support the research for identifying and developing a cure.

On behalf of Farrah Fights CDG, the Boilermakers Lodge 359 and its members proudly support the fight for a cure. A donation in the amount of \$4000.00 has been sent to the FOG in Saint John, New Brunswick on behalf of FARRAH FIGHTS CDG.

The Boilermakers pride themselves on supporting the locals and the communities they work in. We wish your daughter and all those individuals living with this rare disorder all the best.

Sincerely,

The International Brotherhood of Boilermakers Lodge 359
